**RE: Outbreak Over**

---

The Thunder Bay District Health Unit (TBDHU) and the Nipigon District Memorial Hospital announce that the outbreak at Nipigon District Memorial Hospital Long Term Care Home is now over.

Our Outbreak Management Team would like to thank all staff, patients/residents, families and visitors for your patience, understanding and assistance in managing the outbreak. It has been a challenging time for residents, families and staff as we managed and contained the COVID-19 outbreak.

We commend all of our staff for their diligence, hard work and tireless efforts – all of which have been remarkable.

Sincerely,

Madison Boudreau  
Chief Nursing Executive/LTC Administrator  
Nipigon District Memorial Hospital
